

Our focus is the NWPL!

Activities

We are an active group organizing events throughout the year. These include:

- Love Your Library Open House for Valentine's Day
- Spring Concert
- Meet The Author
- Puppies & Pooches on Parade

Who Are The Friends?

The Friends sponsor events and activities throughout the year and are involved in fundraising efforts for the benefit of the NWPL to offer enhanced experiences for the whole community.

For instance, donations from the Friends have made possible the purchase and installation of new laptops, a new sound system, STEM resources, a musical keyboard, Children's Library decor, gardens and landscaping.

Most of our funding comes from annual dues, contributions, our Love Your Library Open House, our annual Spring Concert, and our major fundraiser, the Puppies & Pooches on Parade dog show, in late summer.
